**Guest Speaker: Bill Clark**

Bill is a longtime Michigan resident. He is married with two children and three grandchildren. Out of High School he started in the Real Estate business with the mentoring of his father. He continues his 20 year plus success in winning the constant battle with addiction. Because of this he was able to build a solid career and now manages a successful real estate business in Clarkston. He also currently is a member of the Board of Directors of Clarkston State Bank. During this time he has found time to give back by sponsoring numerous people through a 12-Step program.
